Treasurer Dick Booth reported the financial results for the year July 1, 2010 through May 31, 2011. Revenue from certificates was \$11,738 compared to \$12,027 a year ago. Expenses for the year were \$10,062 compared to last year's expenses of \$12,127. The net income year to date was \$1,676. Last year the net loss was \$100. It was noted that for June, 2011, which is part of the 2010-11 fiscal year, revenue is projected to be about \$300 and expenses are projected to be about \$4,600, mostly for the annual meeting and BOTY trophies. And the monthly loss will be about \$4,300. All this is typical of the expenses for every annual meeting and BOTY trophies. As of May 31, 2011 WFPHRF had \$7,353 in the checking account and \$2,331 in a certificate of deposit. At the end of June, the checking account balance will go down by the \$4,300 loss for the meeting and trophies, and then grow back up through the next year. The Treasurer reported that for the upcoming year, the Board approved a budget with projected certificate revenue of \$12,387, projected expenses of \$12,372, and a net income of \$15. The report was approved as presented.

Next, President Grant Dumas reported for Rating Committee Chair Brian Malone. He recognized and thanked the Rating Committee members. He reported that certificate processing was behind but has now been caught up since the first of 2011. He asked that members go to the web site for renewals and copies of certificates. He also reported that the on line application would hopefully be ready some time soon.

President Dumas presented his report as president. He stated that he was working to improve communications with members and that appeared to be well received. He asked that members check their email address and correct as necessary as people constantly change email addresses but fail to update WFPHRF. The President talked about issuing a Quarterly News Letter by email and that the web site needed to be updated in function and in look.

There was no old business.

Next, Nominating Committee Chairperson Fairlie Brinkley presented the proposed slate of Officers, Directors, Board members, and Rating Committee members as:

Officers and Directors:

Grant Dumas, President (officer/dir 1yr)	Mike Kayusa, Vice President (officer/dir 1yr)
Dick Booth, Secretary/Treasurer (officer/dir 1yr)	Kim Beaty (1 yr)
Dave Ettinger (1yr)	George Pennington (2yr)
Jim Liston (2yr)	Wendy Filler (2yr)
George Cussins (2yr)	

Ratings Committee members:

George Cussins, Committee Chair	Jerry Haller
Jamie Myers	Steve Roake
Ethan Bixby	Brian Malone
Doug Fisher	Bill Johnson

The President requested and received a motion and a second to approve the two slates. Both slates were elected by voice vote.

President Dumas briefly noted that he would like to see increased participation on the race course and through more people involved with the operations of WFPHRF. He noted that there will be a PHRF class at the St Petersburg NOODS in February 2012, which is a first. He requested move volunteers for WFPHRF behind the scene as there is a lot to be done including web site improvement and continued improvement in communications with members.

There being no other business, the meeting was adjourned at 1555 hours.

Respectfully submitted,

Dick Booth  
Secretary/Treasurer West Florida PHRF, Inc
