He reported one technical committee item being worked on. President Filler reported that all class rules changes should be in place for the start of the next season in September including the code zero rules change.

In Old Business, Dick Booth reported there appears to be no activity regarding the renewals from Mexico despite several emails. A Board meeting will be held prior to the Annual meeting at 1100 hours at SPYC. The Board approved the BOTY award flags and Grant agreed to follow that through.
